## ABOUT THE CONFERENCE

Welcome...!!!

We are delighted to invite you to the **“Global Research Conference on Biomedical Engineering and Systems” (GRCBIOMED2024)** which will be held on **October 21-23, 2024** in **Barcelona, Spain**.

The Objective of GRCBIOMED2024 is to provide a unique forum for discussion of the latest developments, refresh your knowledge and will offer plenty of networking opportunities, providing you a chance to meet and interact with leading researchers as well as most influential minds in the field of Biomedical Engineering and Systems.

The Theme of the Conference is **“To Foster Novel Research and Applications of Biomedical Engineering and Systems”** will underpin the need for collaboration and cooperation of individuals from a wide range of professional backgrounds. It aims to promote awareness and enhance research aiming in developing solutions for the various Biomedical Engineering and Systems encountered. In addition, the informational speakers, you will get an opportunity to interact with and learn from our Business Partners, Exhibitors and Sponsors. We invite you to attend an exciting scientific program comprising plenary and keynote talks, several invited talks, oral presentations multiple poster sessions, sponsored luncheons, and networking events.

If you're dreaming about your next trip to Spain, the City of Light is the world's most visited capital. The fantastical Sagrada Família church and other modernist landmarks designed by Antoni Gaudi dot the city. The concentration of architecture, culture, cafés, food, wine, art, rich history, all in one city. No other place on earth has raised and refined these qualities to the level Spain has.

On behalf of the The Foster Group and Organizing Committee, we are excited to invite you to GRCBIOMED2024 and we are looking forward to welcoming you to the Barcelona, Spain.

Sincerely,
