ABOUT THE CONFERENCE

Foster Research anticipate inviting you all to the “**Global Research Conference on High Energy Physics and it’s Applications**” (**GRCPA2024**) which will take place in **Dubai, UAE on November 21–23, 2024** for a worldwide educational and networking event that will offer a special chance for you to interact with peers from around the world and learn from one another. The theme of the congress was “**Highlighting Innovations and Challenges in the Field of Physics**”.

The aim of the meeting is to present the latest research achievements in the fields of High energy physics. Providing the right stage to present Plenary Sessions, Keynote talks, invited talks, Poster Presentations, You can refresh your insights about the current innovations in research and get your name and acknowledgment on this 3-days occasion.

GRCPA2024 the 3-days conference is to provide a platform for Mathematical Physics, Astronomy, Astrophysics and Cosmology, Presidential candidates, Founders, CEO’s, professionals, Scholastic staff, and Experts, Young researchers and talented substitute bunches from universities and research labs to share the latest development in the field of High energy physics.

We look forward to welcoming you to GRCPA2024 in Dubai, UAE.

Sincerely,

GRCPA2024 Scientific Organizing Committee

Sponsor/Exhibitor:

Foster Research arranges multidisciplinary international conferences to present cutting edge fundamental and applied research findings in the life sciences, including medicine and other fields where science and technology play a variety of roles globally.

The exhibit provides a platform for companies and institutions to present their products and distribute brochures and business cards. The exhibit also provides a unique networking opportunity with many experts and researchers. When your brand purchases a Sponsorship package, it is committing itself to delivering experiential relevance and value to thousands of industry influencers including press, creative's and their millions of collective followers, who have come to expect nothing less from us.
